

PreventiCare Program

PreventiCare is a unique equine-wellness program created for all horses—from the trail to the show ring. It was designed with the idea that by forming a partnership with your veterinarian, you can improve your horse's health and performance.

Preventative medicine is the key to stopping health problems before they impair your horse's performance or become life-threatening. By encouraging regular veterinary care and fostering an improved relationship between the horse owner and the veterinarian, PreventiCare helps make exceptional health care possible.

By enrolling in PreventiCare and following its guidelines, you qualify your horse for the **added benefit of Pfizer's Colic Assistance Plan**. If your horse develops colic serious enough for surgery, Pfizer Animal Health will reimburse the operating surgeon for surgical costs and three days of aftercare, to a maximum of \$5,000.

Mobile Veterinary Practice is able to offer you a discounted rate by purchasing all your PreventiCare products and services at once. In addition, if your horse is currently enrolled in the PreventiCare program through MVP, in the event of an after hours emergency, MVP will waive the \$75 after hours charge.

Physical Exam X 2	\$70
Annual Dental Exam and Float	\$125
Ear exam and clean	\$25
EWT/FR	\$27
Flu/Rhino	\$20
West Nile	\$23

Equimax X 2	\$28.50
Total Value	\$547.50
Less 10% Discount	\$ 54.75
Total Cost	\$492.75

There are three disqualifications to enrollment in PreventiCare:

- Any horse that has had colic surgery
- Any horse that has experienced colic in the last 12 months or has a history of chronic colic
- Any horse under five months, or not fully weaned, or any horse over 20 years of age

Horses that are officially enrolled before age 20 may re-enroll each year until age 24. If enrollment lapses at any time after age 20, the horse will not be eligible for re-enrollment.

To participate, all products and services must be provided by Mobile Veterinary Practice.

Coverage for eligible horses begins 30 days after receipt of the application by Pfizer Animal Health. The owner will receive an Official Enrollment Certificate in about 30 days.
